Each of the three contenders has eight games left — but for each game the Braves or Dodgerlose, the Giants can lose one more and still beat 'em. If either the Braves or Dodgers win five of the eight, the Giants need play only 1500 ball to take it. That's expelly the way the three have placed their last eight games—the Glants winning four and losing four, and Milwaukee and Los Angeles each 5-3.

With Willie Mays leading the charge driving in five runs and going 4-for-4-the Giants chased Warren Spahn and blocked the Eraves bid for a first place lie Thursday, They blasted Milwanke 13-6 for a split in the two game series. Los Angeles scrambled back into a share of second, beating Cincinnati 4-3 after home runs by Duke Snider and Junior Gilliam built just enough of a cushion to hold off a two-run graffy in the ninth by the Reds. No games were scheduled in the American League Thursday.

In the other NL games, Pitts burgh whipped St. Louis 7-0 behind a four-hitter by Harvey Haddix, and the Phils beat Chicago Ed Mathews drove in all the

Braves' runs, with a pair of homers and a sacrifice fly, but the Giants had it tucked away before he started slugging. Spahn (19 to 13) faced only four men, didn't retire any and left after only 18 pitches as the Giants scored three runs in the first ilming.

Snider's 22nd homer, good for three runs in the first inning against loser Bob Purkey (12-17) followed Gilliam's leadoff walk a single by Charlie Neal. Gilliam then scored the clincher with his third homer in the eighth inning, off Brooks Lawrence Danny McDevitt (10-8) won it.
